

TVS Housing

Real estate development

“As a real estate developer, we run many project entities, and consolidating them used to take us three weeks of spreadsheets. Today it takes under four days. FINAHQ now runs inside our own Azure environment, cleared our security assessment and produces consolidated financials in the report formats our management needs. Every number traces back to the source.”

Ramakrishnan · General Manager, Finance · TVS Housing

Consolidation cycle, three weeks to under four days

Customers shown are customers of Ananta Group entities. A logo, quote or story does not mean a customer uses both products, and results described are specific to that customer.
